

**Installfest - Saturday, February 7
10am-3:30pm
Carnegie Library of Pittsburgh—Brookline
Branch, 708-710 Brookline Boulevard**

**Interested in getting started with Linux and other Free Software?
Bring in your hardware and we'll help you get up and running.**

**Special Presentation: You can do that in Linux?
11am-noon**

Yes, you can:

- **Work on word processing documents and spreadsheets**
- **Visit your favorite web sites**
- **Download and manage photos from your digital camera**
- **Contact your friends by e-mail and instant message**
- **Manage your music collection and connect to your portable player**

...and we'll show you how!
