

How to Vote

WPLUG uses a variant of the range voting method for Board elections. Though only five (5) Directors are to be elected, you may cast votes for as many candidates as you like. Simply circle the **single** number next to a candidate's name that reflects your attitude toward him being elected:

- 0 - Unfavorable
- 1 - Weakly Favorable
- 2 - Moderately Favorable
- 3 - Strongly Favorable

You may write in candidates not listed using the spaces provided. The winners will be decided by total points received. Failing to circle any number for a candidate means the same as a 0: both express disapproval. A more detailed explanation of the voting system and examples can be seen at <http://www.wplug.org/wiki/Election_Instructions>. Brief statements provided by the candidates will be available at <<http://www.wplug.org/wiki/Meeting-20111112>>.

Print out the ballot and score the candidates as directed above.

To Seal the Ballot

Fold the ballot, then seal it inside an envelope. **Print your name on and sign the outside of the envelope.** If the name on the envelope does not match the list of registered members, your vote will not be opened - so print clearly.

To Vote at the Meeting

Bring your signed envelope to the meeting or have another person bring it for you and cast it before the polls close.

To Vote by Mail

Place the signed envelope **into another envelope** and mail it to the WPLUG address shown at the right. When your letter is received, an e-mail confirmation will be sent to you from the Secretary or one of his designees. Your ballot must be received prior to the Meeting to be counted.
